MID AIR PHOTOGRAPHS.—William A. Eddy, Henry L. Allen and Robert M. Allen yesterday succeeded in taking fourteen mid-air kite photographs of Printing House Square and City Hall Park, New York. The experiment is expected to show whether the groups of people watching the election returns are visible at a great height. The kite-fliers began work at 8:15 a. m., and by means of five kites, six and seven feet in diameter, the camera was lifted to a height of about 1,000 feet. The first exposure was then made at 11:40 a. m. Owing to light and variable winds Mr. Eddy failed to maintain a good line of kites in the air until about 11 a. m. The pull was very light, being from eighteen to thirty pounds, but during the afternoon the wind strengthened and the photographic exposures were rapidly made. At 4:25 p. m. the light was so bad that the camera was removed and three flags, three feet by five feet in diameter, were sent up in its place, but to a much greater height. The easterly winds carried the kite flags and camera toward the North river.

NEW LINE TO EUROPE.—Arrangements were perfected yesterday at Charleston, S. C., between the William Johnson & Co. (limited) Steamship Company of Liverpool and South Carolina and Georgia Railway Company of Georgia to establish a line of steamers between Charleston, Liverpool and other foreign ports. The line is to be known as the Johnson Blue Cross Line, which will be operated by the Charleston Shipping Company, incorporated under the laws of West Virginia, with a capital of \$150,000 and the privilege of increasing that amount to \$1,000,000. The company will do a general importing business. The first ship of the line will arrive in Charleston December 1, and within a few days thereafter will be cleared for Liverpool with cotton and a general cargo.

CLOSE WORK WITH A BEAR.—Jim Myers, a celebrated hunter, living near Camel, Pa., tracked a big bear into the Black forest on Saturday. The tracks led to a decayed tree trunk, and he warily approached it, with rifle cocked. He kicked the decayed trunk, it fell over, and an enormous black bear jumped from it. Myers fired, and the spear pierced the bear's hide. The brute made for the hunter, who tripped and fell, throwing his rifle some distance from him. The bear jumped at the fallen man. Myers used an old rifle, and lay as if dead. The bear snuffed him over from head to foot, and then trotted off. Myers quickly rose to his feet, regained his rifle, and fired several shots at the bear, finally killing it. The bear, dressed, weighed 300 pounds.

MASONIC GRAND LODGE.—The 119th annual communication of Most Worshipful Grand Lodge of Ancient Free and Accepted Masons will be held at the Masonic Temple, Richmond, on December 1st. The lodge will be called to order promptly at 6 o'clock, and the session will extend over two or three days, winding up with a grand banquet. Every lodge in the State will be represented, and several hundred out-of-town Masons will be present to attend the meeting.

WANTED.—For U. S. Army. Well-bodied unmarried men, between the ages of 21 and 30 years, citizens of the United States, of good character and temperate habits, who can speak, read and write English. For application apply, preferably by letter, to Recruiting Officer, Washington Barracks, D. C., or Fort Myer, Va. 118 100331.

WANTED.—AN AGENT in every section to canvass \$4 to \$5 a day made at sight; also a MAN to sell staple goods to the best line \$75 a month. Salary or large commission made, experience unnecessary. CLIFTON SOAP & MANUFACTURING CO., Cincinnati. Oct 26 1aw1y

To the Vanquished.

Here's to the men who lose!
What though their work be e'er so nobly
planned,
And watch'd with zealous care,
No glorious halo crowns their efforts grand,
Content is failure's share.

Here's to the men who lose!
The ready plaudits of a fawning world
Ring sweet in victors' ears;
The vanquished's banners never are unfurled,
For them there sound no cheers.

Here's to the men who lose!
The true stone of true worth is not success;
There is a higher test—
Though fate may darkly frown, onward to
press
And bravely do one's best.

Here's to the men who lose!
It is the vanquish'd that I sing;
And this the toast I choose:
"A hard fought failure is a noble thing,
Here's luck to them who lose!"

GEORGE H. BROADBENT.

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio,
certifies that Dr. King's New Discovery
has no equal as a Cough Remedy. J.
D. Brown, Prop. St. James Hotel, Ft.
Wayne, Ind., testifies that he was cured
of a Cough of two years standing, caused
by La Grippe by Dr. King's New
Discovery. B. F. Merrill, Baldwin-
ville, Mass., says that he has used and
recommended it and never knew it to
fail and would rather have it than any
doctor, because it always cures. Mrs.
Hemming, 222 E. 35th St., Chicago,
always keeps it at hand and has no fear
of Croup, because it instantly relieves.
Free Trials Bottles at E. L. Allen's
Drug Store.

If your children are subject to croup
watch for the first symptom of the dis-
ease—hoarseness. If Chamberlain's
Cough Remedy is given as soon as the
child becomes hoarse it will prevent the
attack. Even after the croupy cough
has appeared the attack can always be
prevented by giving this remedy. It is
also invaluable for colds and whooping
cough. For sale by J. H. Janney.

If your child is puny, fretful, troubled with
glandular swellings, inflamed eyes, or sores on
the head, face, or body, a course of Ayer's
Sarsaparilla is needed to expel the scrofulous
humors from the blood. The sooner you be-
gin to give this medicine the better.

The Fact that Doctors
frequently advise change of air and climate
to those suffering from catarrh is proof that
catarrh is a local and climatic disease. There-
fore, unless you can leave home and business,
you should use Ely's Cream Balm. Applied
directly to the seat of the disease, it effects
instant relief and a satisfactory cure after
short continuance. No mercury nor in-
jurious drug is contained in the Balm.

For Over Fifty Years
AN OLD AND WELL-TRIED REMEDY.—Mrs.
Winslow's Soothing Syrup has been used for
over fifty years by millions of mothers for
their children while teething, with perfect
success. It soothes the child, softens the gums,
cleans the mouth, cures wind colic, and is the
best remedy for Diarrhoea. Is pleasant to the
taste. Sold by Druggists in every part of the
world. Twenty-five cents a bottle. Its value
is incalculable. Be sure and ask for Mrs. Win-
sow's Soothing Syrup and take no other kind.
